

HUTCHESON SAND & MIXES AND AGRIMUM ADVANCED TECHNOLOGIES FORGE DISTRIBUTION PARTNERSHIP

Agrium Advanced Technologies is pleased to announce that Hutcheson's dried topdressing sands in 50lbs bags, 1500 lbs and 3000 lbs tote bags, will now be distributed Canada wide by Agrium Advanced Technologies. This includes Hutcheson's trusted portfolio of regular B-Sand for topdressing, Green Coloured B-Sand for enhanced divot repair and Early Green™ Sand for winter protection and early spring green up. Now your premium fertilizer, turf chemical, and dried bagged topdressing brands are available from one great source!

Contact your local Agrium Advanced Technologies distributor representative directly to discuss the new synergies between fertilizer and sand! If you require any other information you can also call Agrium AT direct at 1-800-461-6471 or find more on the web at www.nu-groturf.com.
